SELECTMEN'S REPORT

Greenfield, as was common in the area, underwent very little growth during 1990. There was no industrial or commercial growth and there were only 8 housing starts. Much of the building for which building permits have been issued was for expansion.

The entire town was reassessed late in the year; the resulting tax base is 90,111,851. We have been reviewing all of our standing tax exemptions with the intention of reducing them where possible.

January 1 was the beginning of our bicentennial year. We are looking forward to this time with great anticipation and would like to thank the Bicentennial Committee for a good job well done. It is our hope that the townspeople will take advantage of this celebration to add to the success to this once in 200 year event.

Robert Smith was elected to this board for a three year term at the annual Town Meeting. Richard Weston was appointed to the position of Superintendent of Public Works for one year. A committee was formed to replace or repair the picket fence around the cemetery adjacent to the meeting house, and Chris Borden was chosen as chairperson. Diane Naylor submitted her resignation from the post of Overseer of Public Welfare late in the year and Virginia Hillegass was appointed to the position for the remainder of the term.

A second egress to the basement of the Meeting House was contracted and completed in the latter part of the year. The State Fire Marshall also required a second egress from the second floor of the Town Office building; this also was contracted and completed. Yet to be done is to make the Meeting House and Library accessible to the disabled.

In the coming year, it will be necessary for property owners to refile for Current Use exemptions. The categories of such use have been reduced to three and redefined.

The Board of Selectmen wish to take this opportunity to thank the many people who volunteer many hours to the town by serving on the Rescue Squad; the Fire Department; the Planning and Zoning Boards; the Budget, Fairgrounds, Recreation and Picket Fence Committees; Conservation Commission; and Trustees of Trust Funds and Library. We also thank all of our elected and appointed officials as well as volunteers. It is the unselfish giving of all these citizens that makes Greenfield a nice place to live.

Respectfully submitted,

Sharon A. Gordon
Robert V. Smith
Steven Robertson

BOARD OF SELECTMEN

TOWN WARRANT

Town of Greenfield
State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the twelfth day of March, next, to act on the following subjects. The polls will be open at the Town Meeting House from 10:00 A.M. to 7:00 P.M.

Article 1A: To choose all necessary Town Officers for the year ensuing.

Article 1B: To vote by ballot on three proposed amendments to the Zoning Ordinance.

Zoning Ordinance Amendments

AMENDMENT NO. 1

In the Zoning Ordinance, amend SECTION II by adding the following paragraph:

> P. Building shall mean any independent structure having a roof with structural support and more than 100 square feet in size.

AMENDMENT NO. 2

In the Zoning Ordinance, amend SECTION IV by changing paragraph G to read:

> No Person shall locate or maintain in the Town a junkyard (as defined by NH RSA 236:91 and 236:112).

AMENDMENT NO. 3

In the Zoning Ordinance, amend SECTION III by deleting paragraph I.2 and replacing it by adopting the New Hampshire Model Flood-plain Development Ordinance.

Town Meeting will recess until 7:00 P.M. on Friday, March 15, 1991 when Article 2 and the remaining articles of the warrant will be acted upon.

Article 2: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Any surplus in said fund shall not be deemed part of the general fund accumulated

surplus and shall be expended only after a vote by the legistative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.
(This provision was submitted by the Selectmen)

YES 290 NO 59

PROPOSED AMENDMENTS TO THE ARTICLES OF AGREEMENT:

To see if the Contoocook Valley School District will vote to delete Article Five (5) of its founding Articles of Agreement and substitute the following:

The Contoocook Valley School District shall operate and maintain a sufficient number of schools and shall determine the size and grade configuration of such schools to ensure that every student is offered a thorough, comprehensive, and equitable education.

To achieve this goal, the district, by obtaining a favorable 2/3 vote of all voting at the individual town halls in a secret ballot, may close or consolidate any existing school(s).

Any existing town boundary will no longer influence the location and grade configuration in district school buildings.

Are you in favor of the adoption of this Amendment as proposed by petition?

YES 149 NO 198

Meeting reconvened at 7:05 p.m. on March 16, 1990, Moderator, Peter Hopkins read the State of the Ballot and continued by stating a few house rules: 1. For those who wish to smoke, please leave the Hall and try not to distrub the meeting. 2. We will follow the Warrant as printed unless change made before we get into the Warrant. 3. Anyone wishing to speak to an article please rise, wait to be recognized and state your name. 4. You will be allowed to speak once to an article and not again until everyone has a chance who wishes to speak to that article. 5. Ask that we not pass over an article, all articles will be read. 6. If you wish to make an amendment to an article please submit in writing to the clerk. 7. Should anyone feel Moderator has made an incorrect ruling, this can be changed by a vote of the assembly.

Meeting continued with Moderator proceeding with Article 2, followed by the rest of the Warrant.

Article 2 - Moved and seconded to hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto. Budget Committee Chairman, Wayne Gordon reported that after PreTown Meeting it was preceived that the Townspeople wanted the budget cut, in view of this the Budget Committee met with the Selectmen and some of the Department Heads to review the Warrant resulting with proposed cuts, they felt we could manage with for the ensuing year, these cuts will be proposed as the individual warrant articles are read. Moderator will read article as printed, than motion will be made on the proposal to be voted on. Vote in the affirmative.

Article 3 - Moved and seconded to see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the Town by Tax Collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require. Vote in the affirmative.

Article 4 - Moved and seconded to see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes. Vote in the affirmative.

Article 5 - Moved and seconded to see if the Town will authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money from the state, federal, or governmental unit, or private source which becomes available during the year or take any action relative thereto. Vote in the affirmative.

Article 6 - Moved and seconded to see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals or take any action relative thereto. Vote in the affirmative.

Article 7 - To see if the Town will vote to raise and appropriate the sum of Fifty thousand dollars ($50,000) toward a recreation building at Oak Park and authorize the withdrawal of Eleven thousand, six hundred, fifty-five ($11,655) plus interest, from the cash reserve fund known as Otter Lake Fund created for that purpose, Eight thousand dollars ($8,000) from donations and the balance of Thirty thousand, three hundred, forty-five dollars ($30,345) to be raised by the Town. Also to authorize the Selectmen to appoint a building committee for this purpose. Moved and seconded by the Slectmen to see if the Town will vote to authorize the removal of Five thousand dollars ($5,000) from the Otter Lake Fund to purchase architectual drawings for a recreation building at the Oak Park Fairgrounds or take any action relative thereto.

Mike Sparling, speaking for the Oak Park Committee reported that the building had been discussed by the Committee over a period of the last five years and they felt prepared to go ahead with the building. He recommended that we not use the $5,000 proposed by the Selectmen for a drawing, since they had a drawing and had gotten estimates of cost for the building. Mr. Sparling presented the drawing explaining what the Committee would like to see done. He also proposed that we amend the article to appropriate $20,000 none to be raised by taxes but using the amount from Otter Lake Fund and donations to start the building and go as far as this money would permit. They felt they could probably put in a foundation and roof with this amount. Question also asked that if we vote to expend this $20,000, would it have to be used. Moderator felt that Article 5 covered this matter. Amendment to Article 7 voted on by show of hands, Yes 62, No 84, therefore amendment failed. Original proposal as presented by Selectmen to be voted on, Oak Park Committee do not want to expend the $5,000 for drawing. Article defeated in its entirety.

Article 8 - To see if the Town will vote to authorize the Board of Selectmen to sell and convey to Wayne LeBlanc a right of way or easement over an existing road or cart path from land that Wayne LeBlanc presently owns and is shown as Lot 44 on Tax Assessor's map of the Town of Greenfield to State Route 136, a public way, said right of way shown on a plan of land surveyed by Donald Duval, said Lot 43 being presently owned by the Town of Greenfield. (Submitted by petition) or take any action relative thereto. Selectmen moved and seconded Article to read, "I move that the Town grant a right of way over land of the Town as described on Tax Map #R-4, Lot #43 to Wayne Leblanc and the other owners of the Wayne LeBlanc property subject to the following conditions:

1. The width and precise location of such right of way is to be determined by the Board of Selectmen.
2. Approval for access onto Route 136, a public right of way, is to be obtained from the State of New Hampshire Department of Transportation.
3. All survey costs, if any, to plot and locate the said right of way on the Town map shall be borne by Wayne LeBlanc.

Selectman Burrage expressed concern that there is a former Town of Greenfield dump site in that area and the Town's liability for what might emit from this. Peter Hopkins, the Moderator, asked Jarvis Adams, III to take over as moderator temporarily because he wished to speak to the article. Mr. Hopkins said that the site under discussion had been given to the Town by his father, who later expressed regret, and remembering this he felt that the Town should not give a right of way through this lot. There was concern regarding how much of the area might be actually right of way belonging to the railway. There was also concern that the lot belonging to Mr. LeBlanc might not meet the requirements of the Town for a building site. They were assured that the requirements of the Town would have to be met before permit would be issued. Richard Metivier "Proposed amendment that the Town of Greenfield Board of Selectmen and their attorney and Mr. LeBlanc and his attorney resolve the legal matter after such time a special Town Meeting will be convened or brought before the next Town Meeting for a decision." He felt that there were a lot of legal problems that needed to be ironed out before the Town should vote. It was voted by the Assembly to allow Mr. Haley, Mr. LeBlanc's attorney to speak to the article. He said he had already discussed the legal issues with the Town and felt they were in agreement and that the Town, once property was transferred to Mr. LeBlanc would no longer have any liability concerning it. Amendment as proposed by Mr. Metivier failed. The motion as proposed by the Selectmen was called to a vote by show of hands. Yes 80, No 74. Vote in the affirmative..

Article 9 - To see if the town will vote to raise or appropriate the sum of One hundred fifty-three thousand, four hundred ninety-five dollars ($153,495)

for the support of the Department of Public Works or take any action relative thereto. Moved and seconded to see if the Town will vote to raist or appropriate the sum of One Hundred fifty-six four hundred, ninty-five dollars ($156,495) for the support of the Department of Public Works, proposed if Article #12 for new dump truck be voted down and $3,000 be added to item Equipment Rental, or take any action relative thereto. Concern expressed by the assembly regarding overdraft every year. Selectmen explained this past year's overdraft due in part to: 1. Front-end loader repairs exceeded estimates. 2. Part time overtime, 3. New engine in the dump truck and vehicle maintenance exceeded anticipated amounts. Selectmen promised tighter controls and serious changes to be made in Public Works Department. All equipment rentals and hiring to go out for bids. Vote on the article as proposed by the Selectmen in the affirmative.

Article 10 - Moved and seconded to see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing a John Deere road grader for the Highway Department, and to raise and appropriate the sum of Fourteen thousand, five hundred, four dollars ($14,504) for that purpose or take any action relative thereto. This is an annual article for the road grader, we are on a 5 year agreement, at the end of the 5 years we may be able to buy it for $1. and it should be good for about 20 years. Vote in the affirmative.

Article 11 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of Twelve thousand dollars ($12,000) to be used solely in sealing approximately three (3) miles of previously tarred roads in the town or take any action relative thereto. This is an annual maintenance article recommended by the Budget Committee. Vote in the affirmative.

Article 12 - To see if the Town will vote to raise and appropriate the sum of Sixty-two thousand dollars ($62,000) for the purchase of a new dump truck for the Department of Public Works complete with sander and plows and to authorize the withdrawal of Thirty-three thousand, fifty-nine dollars and fifty seven cents ($33,059.57) plus accrued interest from capital Reserve Funds created for that purpose and the balance of Twenty-eight thousand, nine hundred, forty dollars and forty-three cents ($28,940.43) to be raised by the Town. MOved and seconded by the Selectmen that we vote to pass over this article in view of the state of the economy and after the expensive repairs made on the old dump truck, this recommended by the Budget Committee. Vote in the affirmative to pass over the article.

Article 13 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of Forty-two thousand, seven hundred and nine dollars ($42,709) for the support of the Recycling Center or take any action relative thereto. Vote in the affirmative.

Article 14 - Moved and seconded to see if the Town of Greenfield will vote to raise and appropriate the sum of Five thousand, six hundred, twenty-two dollars ($5,622) for the purchase of a horizontal baler, waste oil furnace, furnace ducting, and thermal insulating strips for the Wilton Recycling Center. This is also to authorize the Board of Selectmen to apply for and accept grants from the Governor's Recycling Grants Program in the amount of Two thousand, eight hundred, eleven dollars ($2,811) for the purpose of purchasing the above mentioned equipment with the balance of Two thousand, eight hundred, eleven dollars ($2,811) to be raised by general taxation. This appropriation is contingent upon the receipt of State funds and the matching appropriation by the other municipalities participating in the Wilton Recycling Center. The total sum of purchase, including Greenfield's share, will be Forty-seven thousand, six hundred, thirty-five dollars

($47,635) or take any action relative thereto. Comments and discussion concerning cost and/or savings if this article approved or not approved. Vote in the affirmative.

Article 15 - To see if the Town will vote to raise and appropriate the sum of Seventeen thousand, seven hundred dollars ($17,700) for the support of the Fire Department or take any action relative thereto. Selectmen moved and seconded to decrease the total amount by $500 making total the sum of Seventeen thousand, two hundred dollars, by decreasing items Truck and Equipment Maintenance by $1000 making the item $2,000 and increasing Radio Repair to $750, total $17,200. Vote in the affirmative as stated by the Selectmen.

Article 16 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of Ten thousand dollars ($10,000) to be used to purchase new personal protection gear for the Fire Department or take any action relative thereto. James Conway, Fire Chief, said this eqiupment necessary to satisfy OSHA regulations. Vote in the affirmative.

Point of order called by Gene Mitchell who requested an article already voted on be reconsidered. Question put before the House, "Those in favor of reconsidering an article once it has been disposed of ." vote by show of hands Yes 40, No 87. Not allowed.

Article 17 - To see if the Town will vote to raise and appropriate the sum of Five Thousand dollars ($5,000) to be set aside into a Capital Reserve Fund for the purpose of Fire Department equipment or take any action relative thereto. Moved and seconded by the Selectmen to pass over this article for this year. Vote to pass over article in the affirmative.

Article 18 - To see if the Town will vote to raise and appropriate the sum of Fifty-two thousand, one hundred dollars ($52,100) to support the Police Department or take any action relative thereto. Moved and seconded by Selectmen to cut the budget by $3,000, this amount to be deducted from Chief's salary, since he started after the first of the year Town wouldn't be paying him for the whole year. Total amount to be voted on is $49,100. Vote in the affirmative.

Article 19 - To see if the Town will vote to raise and appropriate the sum of Fourteen thousand, eight hundred, nineteen dollars ($14,819) for the support of the Stephenson Memorial Library or take any action relative thereto. Kate Mullins proposed amendment to raise the budget by $600 increasing Salaries to $11,800 raising the total sum to be raised to $15,419. Article as amended voted in the affirmative.

Article 20 - To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of reconstruction of the Meeting House roof and to raise and appropriate the sum of Eight thousand five hundred dollars ($8,500) to be placed in this fund and designate the Selectmen as agents to expend or take any action relative thereto. (Majority vote required) Moved and seconded to change this amount to $4,500 for this year, based on 10 year period. Total amount for roof will cost between 70 and $30,000 this is to remove slate and old boards which are under slate and then to replace the slate. Vote in the affirmative as restated by Selectmen.

Article 21 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of Thirty-five thousand dollars ($35,000) for a complete

revaluation of the Town in 1990 and to authorize the withdrawal of Twenty-seven thousand, eighty-five dollars and fifty-one cents ($27,085.51) plus accrued interest from cash reserve funds created for that purpose and the balance of Seven Thousand, nine hundred, fourteen dollars and forty-nine cents ($7,914.49) to be raised by the Town or take any action relative thereto. The evaluation would begin April 1 and be finished by August 31. Vote in the affirmative.

Article 22 - To see if the Town will vote to raise and appropriate the sum of Two hundred, thirty-one thousand, four hundred fifty-five dollars ($231,455) for the operation and maintenance of Town property, and any other charges arising within the Town or take any action relative thereto. Moved and seconded to decrease this amount to $226,555 by decreasing items Cemeteries from $800 to $400, Parks and Playgrounds from $8,000 to $6,000. and Survey, Tax Maps, Preamb. from $6,250 to $3,750. Amendment proposed to cut Clerical to $6,600 this was voted down. Suggestion proposed to have more time for regular work that perhaps the office could be closed at designated times to public. Amendment to add a word processor program to computer system at the cost of $150. Amount to be raised to $226,705 was voted on. Vote in the affirmative.

Article 23 - To see if the Town will vote to raise and appropriate Five thousand dollars ($5,000) for a new Picket Fence for the cemetery. Moved and seconded by the Selectmen to pass over this article. There was much discussion about doing this with donations and volunteer help especially since the Bicentential will be coming up next year and all would like to see fence at least mended. Motion to pass over voted in the negative. Original article for $5,000 voted in affirmative.

Article 24 - To see if the Town will vote to raise and appropriate the sum of Eleven thousand, four hundred dollars ($11,400) for the support of the Recreation Department. Nine thousand dollars ($9,000) for the support of Recreation programs and Two thousand, four hundred dollars ($2,400) for a life guard at Sunset Lake Beach. Four thousand, two hundred dollars ($4,200) to be raised through taxes and Seven thousand two hundred dollars ($7,200) to be raised through fees and charges. (Submitted by the Recreation Committee). Moved and seconded by Select men to cut this to an even $9,000 cutting the life guard from the budget. Amendment to go back to original article as printed leaving in the life guard. Much discussion concerning liability of the Town having a life guard and also supporting the raft. Vote in affirmative to return to original article as printed. Moved and seconded to vote on original article, vote in the affirmative.

Article 25 - Moved and seconded to see if the Town will vote to instruct the Selectmen to apply the following Educational Tax Credit proposal in its considerations of tax abatements.

Beginning September 1, 1990, any owner of real estate in Greenfield, New Hampshire, who pays for any grade 1 through 12 Greenfield student-resident all or any part of the actual educational expenses of any public or non-public school which legally fulfills the State of New Hampshire compulsory attendance laws, shall be eligible, pursuant fo RSA76:16, to receive an abatement of real estate taxes from the Town of Greenfield in an amount, dollar for dollar, not to exceed 50 percent of the cost per pupil of the public school from the previous year, or take any action relative thereto. (Submitted by petition) Ron Lucas spoke to the article explaining that they felt they were paying twice, also the Town gets a break in amount of moneys paid for public education. Assembly felt

that Public Education is mandated and must be paid for so should be charged to all, after all the people who do not send their children to public school have a choice and if they choose to send them to private school and pay that shouldn'd void their responsibility for public education. Article failed.

Article 26 - Moved and seconded to see if the Town will vote to instruct the Selectmen to study the following Educational Tax Credit proposal and report on its findings to the 1991 Town Meeting.

Beginning September 1, 1991, any owner of real estate in Greenfield, New Hampshire, who pays for any Greenfield student-resident all or any part of the actual grade 1 through 12 educational expenses of any public or non-public school which legally fulfills the State of New Hampshire compulsory attendance laws, shall be eligible, pursuant to RSA 76:16, to receive an abatement of real estate taxes from the Town of Greenfield in a reasonable amount to be determined by the Selectmen. (Submitted by Petition) Article failed.

Article 27 - Moved and seconded to see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promotion preservation of the global environment and launching the "Decade of the Environment," or take any action relative thereto. Vote in the affirmative.

Article 28 - Moved and seconded to transact any other business that may legally come before this meeting or take any action relative thereto. Mike Cavanaugh proposed a resolution that Selectmen issue monthly a report showing how we are adhering to the budget as approved at Town Meeting. This to be on the first of each month and posted in the office building. Vote in the affirmative. Gene Mitchell challenged Moderator's ruling about not recalling an article after it has been passed. Moderator reiterated his belief that an article cannot be reconsidered once it has been acted on. Vote by assembly raise of hands, Yes 36, No 67, challenge failed. It was felt that not all the people in the Hall voting were registered voters and they would like to have the Supervisor's of the Checklist check them on the checklist next year. Tom Mullins made a resolution request Selectmen to approach the representive to the General Court and ask for some way other than real estate taxes, such as an Income or Sales Tax to be instituted to relieve Property Tax Payers,resolution seconded. Amendment proposed to resolution to include the study of possibility of repeal of Property tax. Vote by show of hands- Yes 41, No 45. Resolution failed. Resolution that voting rules be checked before next meeting. Moved and seconded to adjourn. Steven Robertson was thanked for his three years of service as a Selectman.
Meeting adjourned at 12:30 p.m.

During this year, 1990, 5,498 books were circulated which showed an increased interest in adult fiction, inter-library loaned books and in children's books over the previous year. As you well know, Velma keeps news of the library fresh and up-to-date in her newspaper column, so that all are aware of our new acquisitions. This year the new books totaled 344 of which 149 were gifts, a great help to our budget. Many thanks go to you donors.

We appreciate the many gifts this year to our library fund in memory of Hazel Carey Fletcher, a former library trustee.

We have had wonderful support always from the Greenfield Women's Club. Dorothy Howard is now chairman for the "Friends of the Library" within the Women's Club. We appreciate this bond.

A steering committee has been formed to plan for needed changes in the library, such as true accessibility for all and to ensure that the building is fire safe. We are aiming to meet every applicable code in making our changes.

Early this year, 34 children completed the California Raisin reading program.

During National Library Week, the trustees judged the "Save Our Earth" poster contest. There was enthusiastic participation, and the posters could be viewed at the library. The winners were awarded evergreens in pots, which the children could plant in honor of Arbor Day.

The children's summer reading program was entitled "Weave a magic carpet in your book world". It was complete with genies and carpets-to-weave. The little red wagon from UNH joined us for our final party and awards. There were 24 participants and 75 folks attended this event.

In August we had a blue ribbon float at the Oak Park Festival Parade entitled "Reading is a Family Affair". We capitalized on the idea that 'reading is three rings of fun'. Our family was made up of circus clowns and was truly colorful. We also had a book sale at Oak Park that day.

In the fall we held a tea at the library for newcomers in Greenfield and other friends. The Women's Club "friends of the library" brought tea sandwiches and cookies for a bountiful table at this special open house. Lisa Walsh from Welcome Wagon helped us to seek out newcomers. Bob Smith represented our selectmen at this event.

At our Christmas Party on a Snowy December morning we viewed "Peter Pan" generously loaned to us by Lois Loconti. The star of this heartwarming video was Mary Martin.

We have a fine selection of new books and magazines and an increasing number of tapes. Come and enjoy the bright, friendly surroundings of your library. We will have fine new Green library cards on the occasion of the 200th year of the founding of our town.

Julie and Velma always have the welcome mat out. Library hours are:

Monday	12:00 - 5:00	and	6:00 - 8:00 PM
Wednesday & Friday	12:00 - 6:00 PM		
Saturday	9:00 AM - Noon		

We have "Millie's Book" and we want all to know that illiteracy is definitely OUT as we venture into this special year.

Annual Report for 1990
Greenfield Conservation Commission

During the past year we took part in the Lay Lake Monitoring Program for a second time. We use equipment from the state, collect water samples on Sunset and Zephyr Lakes then return to the state labs. The town receives valuable information which would be prohibitavely expensive if we used a private lab. This allows us to catch problems such as spot pollution due to a failed septic, or polluted water at our town beaches in a short time. By collecting data over a long period of time, we can see gradual changes which might effect the purity of our ground water.

Work has continued at the Fleck Conservation Area on South Francestown Road. Stringers for the bridge have been set, and the Commission spent two evenings cutting lumber for treads and coating them with preservatives. During the past summer a nature trail was cut along the east side of the brook, ending at the site of the bridge. Members of the Sportsmens Club helped with the work.

For several years one of our members has headed up the Audubon Society Christmas Bird Count in Greenfield. Collecting data over a long period of time is very helpful. Lists of birds, mammals, and plants found in our town are updated regularly.

The Conservation Commission has done onsite inspections and written up recommendations for the applicants for dredge and fill permits. The selectmen, planning board, and ZBA have all requested our input for projects involving wetlands, which we have been glad to supply.

Several members attended workshops this past year. We were glad to welcome new member, Victor King, to the Commission. He was a great help collecting water samples.

PLANNING BOARD

The Planning Board's primary administrative task in 1990 was the adoption of an excavation regulation. A proposed regulation was considered at a public hearing on January 28th which the Board voted not to adopt as it was too restrictive. Board members Adams and Rainier were then given the responsibility of drafting a new proposal. This was accomplished and the proposed regulation was considered at a public hearing on November 26th. The proposal was essentially the same as NH RSA 155-E with the addition of application procedures. The regulation was adopted by the Board following the public hearing.

At the March Town Meeting, voters approved three amendments to the Zoning Ordinance which allowed the use of wetland soils to partially satisfy minimum lot size and frontage requirements, required swimming pools to meet setback requirements and provided for the appointment of Board of Adjustment members by the Town Moderator. An amendment by citizen's petition to change the Business District boundaries was not approved by the voters.

The Board considered and approved four subdivisions consisting of 12 lots and disapproved one subdivision of two lots. Six site plan reviews and one excavation permit renewal were considered and approved. One excavation permit application is being considered but has not yet been approved.

200TH ANNIVERSARY COMMITTEE

During 1990, the 200th Anniversary Committee continued preparing for the town's bicentennial celebration in 1991. As in the previous year, two newsletters were mailed to all town residents and those former Greenfield residents for which we have an address. Funds were raised through the sale of commemorative items, direct contributions and through a locally produced cabaret which, by itself, netted almost $2,000. The Committee firmed a schedule of monthly bicentennial celebrations, culminating with a grand celebration at the 1991 Oak Park Festival.

PROCEEDS USED TO PURCHASE A NEW 1988 FIRETRUCK.

We have a building! After six years of hard work by all the committee members and some volunteers, we have a building! Some may argue that it is not really a building, and that is okay. You may call it whatever you like, it is still a beautiful addition to Oak Park.

The Oak Park Committee thanks the Woman's Club for their generous contribution towards the construction of this magnificent bandstand, and to Andy Marsh for his help in the designing stages. We also want to thank all the folks who came out in the rain to help us move the small gray building to its new location.

Andy Marsh was also the low bidder for the actual construction of the bandstand and completed it on time for use at the festival.

The weather on festival day was not 100% cooperative with our schedule but the overall results of the day were great. We added two live concerts, a clown/juggler, more vendors and an egg-tossing contest.

Oak Park also has a sign now. Thanks to Mel & Sharon Rossi, when anyone drives by, they know where Oak Park is.

It is so good to see Oak Park being used more and more for other town functions. The firemen have held musters and have even installed permanent equipment for this event. The Tractor Club held its two-day event again this year and has plans underway to restore the depot building and install a permanent pulling area. Little League still uses the ballfield, along with regular softball leagues and many "tailgate" teams.

Oak Park also sponsored a town flea market in April and again in September.

That is the purpose of Oak Park Committee in a nutshell; to make the park a multi-use recreation area for the town of Greenfield. We have worked hard and are now starting to see the results of our labors. And that makes it all worthwhile.

In the last few months of this year, we have initiated plans that will not be completed until next year. To give you a peek ahead: we intend to clear more field space, more parking area and more picnic areas. We want to open up the track so it can be reconditioned as a walking/exercise track.

We recognize we cannot reach our goals without community participation and agreement so we encourage everyone to do whatever you can. We ask for your suggestions, even if you don't agree with what we are doing. And, as always, we thank you for whatever you have already done to help create this beautiful park.

WELFARE REPORT

This has been a very hard year for the Greenfield Welfare Department. With the unemployment rate so high, it has become difficult for people to find work.

This year we aided 18 families which consisted of 27 adults and 29 children. Last year we aided 6 families consisting of 8 adults and 6 children. From this you can see our caseload has tripled. These families received aid for: food, rent, electric, telephone, heat, and prescriptions. With the rising costs and the rising caseloads, it is very difficult to set a workable budget.

The town instituted a work program this year that seems to be working well.

The organizations that helped the town were: The Food Stamp Program, Operation Santa, Winterization Program, and Surplus Foods.

A special thanks to the Union Congregational Church in Greenfield for their food pantry, clothing and food baskets. To Saint Patricks Church in Bennington for the holiday food baskets. Also, thank you to the many individuals for their clothing donations. All was greatly appreciated. You all helped to lessen the burden.

As of December 6, 1991 I resigned my position as Overseer of Public Welfare for personal reasons. I want to thank everyone for their help and support in the past 19 years.

1990 BUILDING INSPECTOR'S REPORT

In 1990 a total of only 39 building permits were issued. This seems to reflect the nationwide economic slowdown in real estate and general building activity.

Building permits were issued for the following:

New Homes	6
Additions & Renovations	13
Commercial	1
Garages & Sheds	13
Signs	2
Decks & Porches	3
Municipal	1
	39

WILTON RECYCLING CENTER

1990 was another year full of changes for the Recycling Center.

We applied for and received grants from the Governor's Recycling Grants program totaling $22,512.04. With these funds, we purchased a horizontal baler, a waste oil furnace, and built a new loading dock.

The baler has improved the speed and quality of our baling operation, while the furnace has provided some relief from our New England winter weather.

We hope to purchase additional trailers next year in order to utilize the full potential of our new loading dock, and alleviate the problem of outdoor storage due to lack of space.

Our income was higher than our anticipated $25,000.00 goal, at $27,579.56. Markets for recyclable materials continue in a deteriorated state, however, we are still striving for increased income totals for next year.

We regret the passing of our long-time dedicated employee and our friend, Alvin Munnis. In his honor, New Hampshire Resource Recovery Association has added a new category to their annual recycling awards entitled The Alvin Munnis Memorial Award, given to an outstanding individual in the field of recycling. Alvin was a hard working reliable individual and we miss the spirit that he added to the Recycling Center.

We would like to thank Charles McGettigan and the Wilton Highway Department for all their efforts over the past year. They have provided a great deal of assistance to the Recycling Center in excavation work and road maintenance, and we really appreciate what they have done for us.

We would also like to thank the Friends of the Wilton Recycling Center for their support. We hope to work closely with them during the following year.

Last, but by far, not least, we'd like to thank all of you for your contributions. You are still the lifeline for the Recycling Center's success.

Respectfully Submitted,
Pat Johannesen, Manager

GREENFIELD POLICE DEPARTMENT
ANNUAL REPORT - 1990

To the Citizens and Business Community of the Town of Greenfield:

1990 was a year of change for the Greenfield Police Department. As you know, Chief Carl Driggers left the department early in the year and I became your Chief in March. I feel honored to have been chosen to serve the community in the capacity of Chief of Police and hope to continue serving you in the future.

Many changes have taken place within the department. Not only have we stepped up patrol in an effort to discourage crime, but we have also become more active in community affairs. A comprehensive recordskeeping system has been established to help the police department operate more efficiently. Department rules, regulations and standard operating procedures are now in place.

The Town of Greenfield is fortunate to have a group of talented, caring individuals serving on its police force. I would like to thank Sergeant Scott Quilty and Officers Andrew Wood, Lori Coffin, James Conway, Richard Smith, Richard Waugaman and Daniel Bocko for their dedication to the department. I would also like to thank Sheldon Stokes for his many years of service to the community. Without the assistance of these people, my job would have been a difficult one.

Special thanks are also in order for Adele Gagnon, Rachel Courtney, and the Board of Selectmen for their continued support. Also, thank you to two special young men, Christopher Weeks and Charles Phelps for many hours of assistance to the department. They have helped in making my first year of service a pleasant one.

You, the citizens and business people of Greenfield, have made me feel welcome. It is with pride that your Police Department serves you. We are always here to assist you at any time. Phone us at 1-352-1100 or 547-2525 if you need police assistance.

Together, the citizens of Greenfield and its Police Department can keep Greenfield a safe and happy place to live and work.

Respectfully submitted,

Brian L. Giammarino
Chief of Police

RECREATION COMMISSION

The Recreation Commission has had a very good year. We have continued our popular programs of aerobics, swimming lessons, baseball and arts program.

We added new programs of tennis lessons, high school and adult dances, infant and child swim lessons, lifeguard course and Red Cross Standard First Aid Course.

Successfull programs are made possible by everyone's support. This is the year to try something new. Participate in a program, attend a performance, volunteer to chaparone a teen dance. Let us continue to offer quality programs. Our programs are for everyone.

The Recreation Department is looking for suggestions on different programs that you might like us to offer.

Our department was saddened by the loss of our lifeguard and swim instructor Kathy Lovequist. She touched a lot of people in a very short time. Kathy missed the trees that were at the beach. In memory of Kathy we will be planting trees at Sunset Lake. Contributions will be gladly accepted.

1990 School Board Representitive Report

Having served on the School Board for Seven years and feeling a continued movement forward in bettering our education system, tnis last year brought about frustration with the $600,000 plus budget cut, appears to have put us in a sharply reverse direction. Hard choices had to be made where to make the cuts so that it would have the least effect on the children of our district. The KIDS benefit or pay in the long run.

Thank you for your support,

Respectfully submitted,

Roger W. Phelps
